

2nd Annual Dayton Engineering Sciences Symposium

October 30, 2006

Abstract Deadline: September 30, 2006

Abstract submission is now open for the 2nd Annual Dayton Engineering Sciences Symposium at Wright State University. Sponsored by the Dayton Section of ASME, the symposium is designed to facilitate communication between members of the regional technical community, as well as to provide a forum for students and researchers to sharpen their technical presentation skills. Presentations are limited to 20 minutes, including time for questions. *No written paper is required.* The Symposium program will include several parallel sessions in the morning and afternoon, a luncheon, and a Keynote Address. The Dayton Section of ASME will confer "Best Presentation" awards at the annual Section Awards Banquet in late Spring, 2007.

Abstract Submission: Abstracts are solicited in all areas of engineering science. Abstracts are limited to 150 words, and must be submitted online through the conference web site:

<http://www.cs.wright.edu/~asme/DESS.htm>

Registration: All symposium registrations must be processed online through the conference website. Registration rates are as follows:

General Registration: \$100
ASME Member Registration: \$75
General Student Registration: \$25
ASME Student Member Registration: Free
Student Presenter Registration: Free

Registration fee includes admission to all technical sessions, conference program and booklet of abstracts, continental breakfast, all day coffee and refreshments, and choice of box lunches.
