

## Call for Abstracts

11<sup>th</sup> Annual

# Dayton Engineering Sciences Symposium (DESS)

November 2, 2015 at Wright State University

**Abstract Deadline: September 28, 2015**

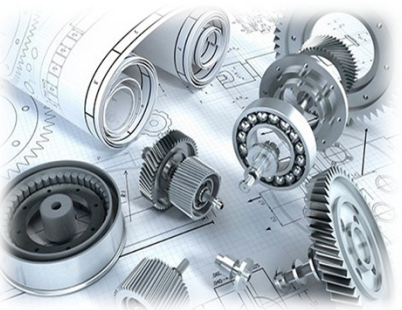

Organized by the American Society of Mechanical Engineers (ASME) Dayton Section, the symposium is designed to facilitate communication between members of the regional technical community, as well as to provide a forum for engineers, scientists, and students (graduate & undergraduate) to present their technical work.

Abstracts (150 word max.) are solicited for both oral and poster presentations in all areas of the engineering sciences including:

*Applied Engineering, Biomechanics, Computer Engineering, Controls Science, Design & Optimization, Electronics & Sensors, Engineering Education, Fluid Mechanics, Industrial & Human Factors, Materials & Processing, Nanotechnology, Power Propulsion & Energy Systems, Structures & Solid Mechanics, Thermal Sciences, Undergraduate and High School Research, and entrepreneurship.*

*(no written paper is required).*

**Keynote address  
(will be announced shortly)**

**To register and submit abstracts, visit:**

**<http://www.asmedayton.org/DESS/DESS.htm>**

Reduced registration rates for ASME members and student presenters. Registration includes admission to all technical sessions, continental breakfast, lunch and all day coffee and refreshments. Registration is also available for those interested in attending just for lunch and keynote.
