

12th Dayton Engineering Sciences Symposium

Tuesday, November 1st, 2016
Wright State University, Student Union

Keynote: Biomechatronics

Abstracts Solicited in All Areas of Engineering
Submission Deadline: October 4th, 2016

<http://www.asmedayton.org/DESS/DESS.htm>

Organized by the American Society of Mechanical Engineers, Dayton Section, DESS provides a unique forum for sharing technical work broadly across the engineering spectrum. We annually welcome a diverse audience including K–12 STEM students, engineering educators, professional engineers and scientists, and industry representatives. We encourage you to join us November 1st, share your engineering work via oral or poster presentation, and be inspired.

Students. Educators. Professionals. Engineering.

Organized by:
ASME Dayton Section
WSU ASME Student Chapter
